Dear Friend:

I am of the opinion that a special meeting of the Negro National League should be held Saturday night, May fourth. All clubs will be playing in the east on that date, and no extra expense will be involved or inconvenience caused by such a meeting.

Two important matters now face us. First, is the proper steps and prompt action in applying for membership in the Major Leagues under the jurisdiction of Commissioner Chandler. Second, is to adjust disputes about players and deposit of League fees.

These matters should be settled now, and not permitted to drag on throughout the baseball season.

Kindly advise me about your decision on these subjects, so that the Chairman can proceed with details of arranging the meeting.

Yours very truly,

Rufus Jackson
